Materials:

When using the suggested materials, it will be about 12 cm tall.

The listed wool and hook sizes are only suggestions. It is, of course, entirely your personal choice, which yarn you use.

Please keep in mind that different yarn may result in a bigger or smaller piece. Make sure to adapt your hook size according to your yarn and personal tension.

- Wool sport weight, fluffy yarn (grey) or any other grey yarn (can be brushed with a wire grooming brush for pets), some pink yarn (same weight), white thread
- Crochet hook in suitable size (for me: 2.5 mm)
- Stuffing
- Eyes in suitable size (for me: 10 mm)
